

CONSUMPTION CURED

MRS. ANNA HENKE

Mrs. Henke, known as the handsomest woman in Milwaukee, states that after physicians had failed to give her any permanent relief from that dread disease consumption, she tried Duffy's Pure Malt Whiskey and has been entirely cured.

Mrs. Henke thankfully writes: "For six years I have been ailing with lung trouble, which kept growing worse until my case became serious. I employed four different local physicians, giving each a fair trial, but with very little success. During this period I was troubled with dizziness, cold sweats, cold hands and cold feet, coughing, chills and hemorrhages, which clearly indicated consumption. My physicians suggested that I move to a different climate. I tried several widely advertised medicines, but with no good results, then I tried Duffy's Pure Malt Whiskey. After using one bottle my condition began to improve. I continued to use this remedy for two years and am now in excellent condition. I used to be so weak that I could hardly stand up. I am now able to do all

my household work, including washing. This letter is given of my own free will and that it may, if desirable, be used publicly that other sufferers may learn of my wonderful cure. I am a lifelong resident of Milwaukee, and the mother of five children.—MRS. ANNA HENKE, Milwaukee, Wis., April 12, '06.

Duffy's Pure Malt Whiskey

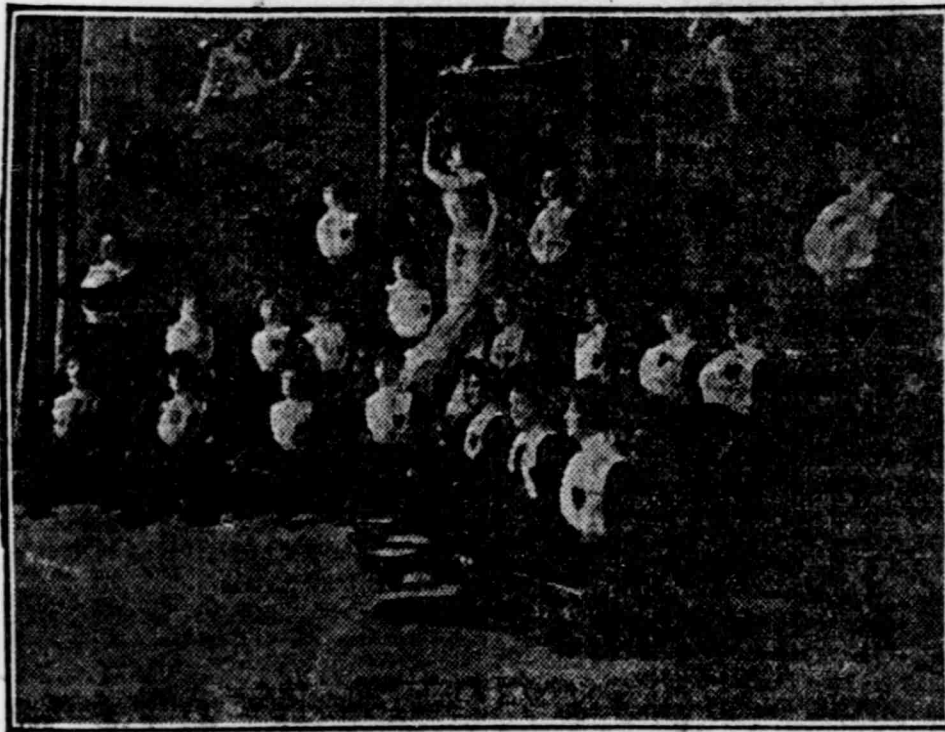

If you wish to keep strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill your system with drugs; they poison the body and depress the heart while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is the only whiskey recognized as a medicine, and contains no fusel oil. This is a guarantee. Duffy's Pure Malt Whiskey has stood severe tests for fifty years and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggist or grocer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the one absolutely pure medicinal whiskey and is sold only in sealed bottles; never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Medical booklet and doctor's advice free. Duffy Malt Whiskey Co., Rochester, N. Y.

AMUSEMENTS

THE FENCING GIRLS, WITH "THE LITTLE DUCHESS" TONIGHT.

Last Night's Play. Miss Helen Byron, supported by a strong company, appeared according to schedule, and presented for the second time in this city "Sergeant Kitty."

The house was filled, and the generous applause was sufficient to please any company. The general opinion in fact, was that the presentation was even better than last

year's. The tuneful airs which had grown popular during the past year, sounded even sweeter and brighter than they did on their previous rendition here.

Miss Helen Byron is prettier than a picture, and her voice is sweeter and prettier than she is. Every solo had to be repeated a number of times, and Miss Byron put in a good night's work of it to satisfy the many

Pensacolians with whom she has been a favorite ever since her first visit. "Sergeant Kitty" requires a lot of elegant costumes, and all of them are apparently new and sparkling. There is plenty of comedy in the play, which is wholesome enough to keep any audience roaring.

The Little Duchess. One of the most promising events of the present theatrical season will be the appearance to-night of Anna Held's successful musical comedy, "The Little Duchess" with Countess Olga von Hatzfeldt, the clever little comedienne, and a cast of selected singers and comedians, and a stage-full of charming girls.

As to scenic splendor and gorgeous costuming, this offering needs little introduction, after the record breaking run it had at the New York Casino, where its lavish mounting and sartorial beauty was the sensation of several seasons. This is the second season of Countess von Hatzfeldt's starring tour in "The Little Duchess," and from all reports received from other cities, this attraction will be one of the most pleasing to be seen here this year. Comedy is claimed as one of the salient features of the performance, there being seven distinct and original laugh-producing characters in the play, each one cast with a comedian of special adaptability to its peculiarities.

The main portion of the music in "The Little Duchess" is by Reginald de Koven, with many interpolations from the popular songwriters. Among the artists most prominent in the personnel with Countess von Hatzfeldt are Robert Lott, Irving Brooks, Eugene O'Brien, George F. Moore, Harry Carter, Madeline Cook, Kitten Dusebol, Violet von Nickols, Ernest Fisher, Howard Cook and a host of others, forming an ensemble of fifty people.

Shepard's Moving Pictures. Archie L. Shepard will give one of his "moving" entertainments here Monday evening.

The performance is more adapted to high grade refined entertainment for polite company than this. The unusual wonders of the world in every walk and stratum of society, from which has been culled the interesting, the marvelous, the dramatic in all its phases, the beautiful and artistic are depicted here with naturalness of living. The impossible convicts form a very funny series of sterling worth, and roars of laughter follow every exhibition.

The Girl Patsy. "The Girl Patsy," which comes to the opera house next Tuesday, is the work of Jane Maudlin Feigl, a southern woman who has been very successful in her literary work in New York. Her "Texas" has been one of the big money makers for the past three seasons, and is still playing to record business.

In "The Girl Patsy," this southern author has chosen a theme dealing with fashionable northern country life. The character drawing in "The Girl Patsy" is an exquisite piece of work, and has received deserved compliments everywhere.

In the cast of "The Girl Patsy" are several southern artists, among whom may be mentioned, Miss June Mathis, Miss Grace Cahill, Miss Marie Haynes, Mr. W. Clifton Hamilton, Mr. John Sutherland, and Mr. Chester D. Guyer. The manager, A. G. Kelley, is also a southerner.

CARNIVAL WILL BE GREATEST EVER HELD

Immense Sums Spent For Jacksonville's Big Amusement Week.

Special to The Journal. Jacksonville, Oct. 26.—The Third Annual Carnival, which will be held in this city on November 5-10 inclusive, will be the most extensive amusement week ever planned in the southern states.

The carnival was inaugurated three years ago by prominent newspaper men of the city for the purpose of attracting visitors to Jacksonville, and has been one of the phenomenal successes in that line of enterprise. It has become as distinctive as the Cincinnati Fall Festival or the Pittsburgh Exposition, and this year it will, without question, equal, if not eclipse either of the two events named.

The carnival association when it began to plan for this year's event some six months ago, conceived the idea of putting on a hippodrome fashioned after the famous Hippodrome of New York City, and negotiations were immediately begun looking to bringing a large part of the New York acts to Jacksonville. These negotiations have been in progress for several months and are now completed, whereby not less than 15 or 20 of the most celebrated acts in the world will be seen in the south only at the carnival this year.

A Big Attraction.

The one feature of the Jacksonville amusement week will cost between \$15,000 and \$20,000 and it is safe to say that it will attract visitors, not only from all parts of the state but from all sections of the southern states. The hippodrome will be shown in the carnival arena, an immense platform 168 by 100 feet, on which there will be two equestrian rings, a stage and various other constructions, especially built for the purpose. In the hippodrome acts, there are more than a score of horses a large number of performing animals, and various artists imported from the leading amusement organizations of this country and Europe. All of these acts have been engaged for the carnival association by the association's New York booking agent, and will be brought to Jacksonville on a special ship of the Clyde Steamship Company, which will sail from New York on the 27 of October.

The Midway, or "Wonderway" as it is known at Jacksonville this year, will contain not less than twenty-five of the very best tented attractions that can be secured in

MAXIM'S MAXIM.

Medest Claims Often Carry More Conviction Than Loud Boasts. When Maxim, the famous inventor, placed his gun before a committee of judges, he stated its carrying power to be considerably below what he felt sure the gun would accomplish. The result of the trial was therefore a triumph of surprise instead of disappointment as it might have been if he had overestimated his gun's efficiency.

Our claim regarding Newbro's Herpicide is based on actual scientific facts. If a living germ is causing your hair to fall out its the most sensible thing to kill that germ.

Newbro's Herpicide does this quickly and effectually. Destroy the cause you remove the effect.

For sale by W. A. D'Alemberte, druggist and apothecary, 121 South Palafox street, or send 10c in stamps for sample, to The Herpicide Co., Detroit, Mich.

SYRUP OF FIGS

Acts Gently,
Acts Pleasantly,
Acts Beneficially,
Acts truly as a Laxative.

Syrup of Figs appeals to the cultured and the well-informed and to the healthy, because its component parts are simple and wholesome and because it acts without disturbing the natural functions, as it is wholly free from every objectionable quality or substance. In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal virtues of Syrup of Figs are obtained from an excellent combination of plants known to be medicinally laxative and to act most beneficially. To get its beneficial effects—buy the genuine—manufactured by the

CALIFORNIA FIG SYRUP CO.
Louisville, Ky. San Francisco, Cal. New York, N.Y.
For sale by all leading druggists, in original packages only, bearing the full name of the Company.

WILL OPEN NEW RESTAURANT

L. L. Hughey, the well-known local manager of the Crescent News Co. has leased the Palafox street place now occupied by Hooton & Watson, and will on Jan. 1, or as soon as Hooton & Watson move into their new quarters in the Brent building, open a first-class short order restaurant there.

Mr. Hughey has had a great deal of successful experience in catering to the public's tastes and his new enterprise will no doubt be a paying one.

TEMPERATURE OF 68 DEGREES

The maximum temperature at Pensacola yesterday was 68 degrees at 11:20 a. m., and the minimum 52 degrees at 6 a. m. Last year on the same date the maximum temperature was 64 degrees and the minimum 56 degrees.

SOME ATTRACTIVE BOOK ADVERTISING

DeLUNA STREET BOOK STORE IS ATTRACTING A GREAT DEAL OF ATTENTION.

Some of the most attractive advertising that The Journal has contained in a good while is that which it has been carrying for the DeLuna Street Book Store, Harry T. Howland, manager.

This new concern has attracted a great deal of attention recently, due unquestionably to the good advertising which it has been doing, and it now enjoys a fine patronage. It is the only exclusive book store in the city and it is located on the nearest and most unique street in the city. These things have been brought out prominently in well written and attractive advertising in The Journal, and it has been demonstrated that a business does not necessarily have to be located on Palafox street to be successful if the right means are used to push it to the front.

Hon. Jake Moore

Suffered Twenty Years With Indigestion.
Cured by Kodol Dyspepsia Cure.

OFFICE OF

The Prison Commission of Georgia

JOS. S. TURNER, Chairman. TOM EASON, Commissioner. ELMER A. EVANS, Commissioner. GOODLON YANCY, Secretary. J. C. MOORE, State Warden.

ATLANTA, August 10, 1904

E. C. DeWitt & Co., Chicago, Ill.

Dear Sirs:—"I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. My heart would beat so fast I could not sleep, at times I would almost draw double with pain in the pit of my stomach. I lost twenty-five pounds; in fact, I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol Dyspepsia Cure. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited."

Yours very truly,

Jake L. Moore

Kodol Dyspepsia Cure is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in assimilative form, the greatest known tonic and reconstructive properties. All other digestants and dyspepsia remedies digest certain classes of food only, and are lacking in reconstructive properties.

Kodol Dyspepsia Cure is prepared at the laboratory of E. C. DeWitt & Co., Chicago, and is sold by leading druggists everywhere.
